Bilingual French & English finance professional (LSE MSc Accounting) with three years at Deloitte in M&A Transaction Services and Financial Audit. Experience advising private equity funds and multinational clients on financial performance, earnings quality and risk, with multi-jurisdictional exposure across the UK, France, Italy and Hong Kong and four working languages.

PROFESSIONAL EXPERIENCE

M&A Transaction Services Associate — Deloitte

Paris · April 2025 — Present

- Advise private equity funds and corporate investors on financial performance and risk in the context of acquisitions and divestments, supporting capital deployment across multiple sectors.
- Evaluate cash generation, earnings sustainability and balance-sheet strength to underpin investment theses and quantify downside protection.
- Author investment-focused due-diligence reports and present key findings to partners, fund principals and CFOs, challenging management assumptions to deliver commercially actionable conclusions.

Financial Audit Associate — Deloitte

Paris · December 2022 — March 2025

- Delivered audit engagements for large multinational groups in luxury, media and automotive, assessing financial performance and internal control environments.
- Analysed financial statements to evaluate earnings quality, cash-flow drivers and balance-sheet resilience — directly transferable to investment and credit analysis for HNW clients.
- Identified financial and operational risks and managed engagement teams to ensure timely, commercially focused delivery to senior client stakeholders.

Research Assistant — London School of Economics

London · March — August 2022

- Co-developed a case study on the collapse of Carillion plc, examining accounting choices, governance failure and capital-market consequences — published as LSE teaching material.

Freelance Studio Assistant — Lock Studios

London · 2020 — 2021

- Coordinated end-to-end creative production for international luxury and fashion clients (British Vogue, Paul Smith, Alexander McQueen, Adidas), managing client-facing projects with discretion and attention to detail.
